Dear Desmond

With your support, Bull Charge 2012 has raised \$1.388 million for charity! On behalf of Singapore Exchange (SGX), our sincere thanks and appreciation to Gaylin Holdings Ltd, your staff participants and you for helping to make the annual charity run a success.

You have made a difference to the four Bull Charge charities: Asian Women's Welfare Association (AWWA), Autism Association (Singapore), Fei Yue Community Services and Shared Services for Charities.

As you may know, SGX has also tripled its commitment period to beneficiaries from one to three years. Over the next three years, SGX will work closely with the charities on specific support programmes such as building a toy library for children with special needs at AWWA, a Golden Age College that prepares seniors for ageing at Fei Yue and a second Eden Centre for Adults at Autism Association (Singapore). In addition, SGX will customise basic money management courses to help with financial literacy and education at the various charities.

Together with interested corporate sponsors, SGX will also organise social outreach activities with the charities to help the needy and underprivileged groups feel more connected with society. If Gaylin Holdings Ltd is interested to partner us on these outreach activities, please contact Ms Tina Kong at email : tina.kong@sgx.com.

Once again, thank you and see you next year!

Sincerely
